“ *I worked with Dennis for many years at the New York Network were he became my mentor in the Traffic Department. I will always remember his tutelage with me and the kindness he always showed not only me but the rest of the NYN crew.*

I fondly remember when he took up golfing and how quickly he got hooked and then Sue playing as well and as he planned his retirement it would be a place on a golf course.

My sympathies to all who knew and loved him.
