“ *Diane was the most thoughtful and loving woman I know. I was so thankful that I was able to call and talk to her bringing back all our memories; from her mom and my mom, to parties and baton twirling.*

Our families have been friends for years starting with her mom, Marie. I was the youngest of 5. Where my family was part of the Millerette's with Diane, I had the special privilege to have Diane as my baton teacher in school.

My heart goes out to the Scaringe family for their loss of a fabulous woman. We will all miss her. You were loved by all. RIP Diane
