*I was and remain forever thankful that I worked with all the Crupi Family in the 1960's in Altamont
Charlie/Ben Toni and Dominic
Dominic always made me a baloney sandwich/and saved meat scraps and bones/and chicken for my mother Sidney, and our family....he was one of the kindest giving men I ever knew and he was always so kind to me personally...I never returned to Altamont with out stopping by... to say hello
He made me the 'community' person I am...he had a giving sense more than anyone I have ever know, and I am better of for because I knew him
RIP
Dom
love forever and always
