“ I met Dominick in 1998 when we worked at the same dealership. Instantly we became friends and soon I considered him family. Dominick easily found friends with his incredible sense of humor and if you found yourself lucky enough to be one of his friends you had yourself the most loyal, giving, empathetic and loving friend you’d ever find. Since that day in 98 although our lives had brought many miles between us, he wouldn’t let a few days go by without a check in call from him making sure myself and my family were ok. Dominick became my most trusted brother who gave me many years of cherished memories. I’m thankful for every minute we had spent together. It is an honor to call him friend and family.

“ My children, Christy and Michael Frazier, went to St. James with Dominick. I was one of the “lunch room mothers” there for several years. I always have special memories of Dominick. He was always smiling. He was so friendly and respectful. I have worked with hundreds of young people in my career as a school nurse but found Dominick to be a favorite of mine. Whenever my kids have mentioned him in conversations I always had to say how much I liked him! My prayers are with his family at this difficult time.
