“ *Bill and I send our condolences to Joan, his children and Dave. I feel really bad that we did not know of Donny's passing. We moved to Florida 4 years ago and did not see the obituary. I grew up with Dave and Donny. I have fond memories of my Grandmother and Grandfather visiting with the Marcy's. Donny was a great guy and would always say hi to Bill and I when we ran into him. Rest In Peace.*

“ I think I spoke with Donald on four occasions. The first was in the Firehouse in Hague. The second was when he pulled up to our dock in Forest Bay in an ocean liner. The third time was in the Firehouse again and the forth was at Molly’s Birthday. Donald really didn’t know me but each time I spoke with him he made me feel like he did.

My Sincere Condolences to Joan, Joseph, Rion, and Molly.

“ Dear family and friends,

I worked with Duck for 30 to 35 years on the AFD. He was a good friend and a lot of fun to be around. I also knew Duck when we were kids, having grown up in the 2nd and Delaware/Whitehall Rd area.

Duck and I spent a lot of time over the years reminiscing about the old neighborhood. It was very said to see his picture in the obituary. My wife and I were in Tampa from Wednesday to Monday. I apologize for not making the services.

My deepest sympathy,

“ Dear Joan, Rion, Molly, Joe, and family,

Thinking about all of you right now, and the many memories of Don. All of them wonderful and most of them hilarious. He truly knew how to live and to enjoy the little things in the moment. There are so many images etched but the one sticking in my mind right now is when we were up in Lake George and watching The Predator on that little TV screen up in the party barn and Don was telling me how great a movie it is in the way that only he could. Of course there are so many more. He was a great man and I am thankful for having spent time with him and, of course, the rest you.

I am sorry I can't be there to hear all the wonderful stories that I am sure were told last night and will continue to be told in the coming weeks.

*With love,
Chris Kennedy*

“ To The entire Marcy family, Joan and the children, Dave. There are too many great memories to list. First met Don at the Malone's home Christmas Eve 1972, from then on it was all good/fun. There will never be another Don to me and anybody else. From the South End to Lake George and everything in between we did it all one time or another. I will miss and remember Duck and wish the family still had him. Don was one you couldn't get enough of ! I am sorry for your loss and glad I got to speak with him a couple of times recently. God bless, out of sight but never out of mind, Tony T.

“ Dear Joan and family. I am deeply saddened to learn of Duck's passing. We met and became friends in the summer of 1971 at Albany Dodge. I have so many memories and stories about him. They are all funny and full of laughter. They include all the cars he had, camping on the islands on Lake George, Reefer Madness and Thompson's Lake. I truly will miss him. I'm positive you have thousands of great memories to help you through this most difficult time. God Bless You Duck and Rest In Peace.
