“ Don, our marriage proved to be filled with hope, love and faith. I am tremendously proud of you, for what we had accomplished together. We are very proud parents of Aimee, who is a true reflection to our deep and abiding love.

Since Aimee was born, she was inseparable from her daddy. They enjoyed visits to family and friends together, attended Don's 50th school reunion, visited and drove to multiple national parks all over the country, enjoyed doing things and spend quality time together. Aimee just loved being a daddy's girl, for Don was such a great mentor and beloved father.

Honey, please know that Aimee and I, in our hearts we deeply hold high, YOU are truly loved and your memories will remain within us for a lifetime.
