February 19, 1958 - August 5, 2024

Clifton Park, NY-Donna M. Passaretti Green, 66, passed away peacefully on Monday, August 5th, 2024 surrounded by her loving family.

Born on February 19, 1958, in Troy, New York, Donna was the daughter of the late Peter J. Passaretti and Jacqueline F. Vincent Passaretti. She grew up in Watervliet, New York with her loving parents and two wonderful sisters. In Watervliet, in 1972, Donna met the love of her life and future husband, Joe Green. After graduating from Watervliet High School in 1976, she pursued further education at Spencer Business and Technical Institute in Schenectady.

Donna and Joe made a beautiful life for themselves and their two daughters in Latham, New York, where they owned and operated Changes Salon together. Donna was an extraordinary mother who always put her daughters first. Her unwavering support and readiness to be there at a moment's notice demonstrated the depth of her love and dedication to her family.

Donna was known for her radiant personality, which would light up any room she entered. Her kindness, guidance, and ability to form friendships in moments were hallmarks of her character. Donna found immense joy in the time she spent with her family and friends, especially her grandchildren. When Donna embraced the role of "DeeDee", she did so with a level of devotion and love that was truly unmatched. Her grandchildren were the light of her life, and

her boundless affection for them was evident to all who witnessed it.

Donna and Joe loved to travel together, going on many road trips down the east coast to visit their “Florida Greens”. She never took a beautiful view for granted, always admiring nature’s beauty. In recent years, she enjoyed playing golf and pickleball with her husband. Her warmth and spirit will be remembered by all who had the privilege of knowing her.

She was the beloved wife of 45 years of Joseph D. Green; devoted mother of Cristi (Michael) Davis and Jenamarie (David) Galinski; adored grandmother (“DeeDee”) of John Galinski, Sierra Galinski, and Lilah Davis; loving sister of Patricia Passaretti and Janice (Daniel) Meyer, who will cherish her memory dearly. Also survived by several loving nieces, nephews, grandnieces, grandnephews, cousins, and friends.

“ **SOMETIMES IN LIFE**

You find a special friend. Someone who changes your life just by being part of it. Someone who makes you laugh until you can't stop. Someone who makes you believe there really is good in the world. Someone who convinces you that there's an unlocked door just waiting for you to open it. This is a forever friendship. When you're down and the world seems dark and empty, your forever friend lifts you up in spirit and makes that dark and empty world suddenly seem bright and full. Your forever friend gets you through the hard times, the sad times and the confused times. If you lose your way, your forever friend guides you and cheers you on. Your forever friend holds your hand and tells you everything is going to be okay. And if you find such a friend, you feel happy and complete because you need not worry. You have a forever friend, and forever has no end.

Love, Trishe

“ Joe, Jenamarie, Christi and all who knew and loved Donna...

I am so very sorry for your loss. Your Mom was special in a way so few truly are. She had a presence ... she could walk into a room and people just flocked to her. She was the one you aspired to be like ... she made you a better person just by being near her. What a gift you all were to her... you were her world. I didn't see her often but she always had a family story to share... and she'd literally light up telling it!

Your loss is truly unfathomable. To say the world was a better place with her in it sounds like such a cliché, a platitude... but it really was. Your Mom touched so many lives and hearts and every one of them is feeling broken right now...

May the blessing that Donna was fill all of us with love and light as we mourn her. We are all better for having known her and that is an incredible legacy that she leaves us with.

Sending all of you much love and strength as you find your way forward.

What a shock. Donna and I went through grade school, Jr High and High School together. Grade school sleep overs at her dad's barber shop, so many evenings at the Civic Center and Friday night dances. You energy and light will be missed. God bless

I was friends with Donna in 7th grade through our graduation. I had so much fun with her in school. She always would make sure I was ok and that no one was mean to me. I always like to hear her voice and laugh. So many friends she had in high school all liked her and hung out with her.

Donna you will be missed and may you rest in peace Amen.
