Albany, NY-Dorothy H. Blackman was born on October 6, 1923 -yes 100 years ago- in Bronx,NY. She sadly passed away on December 23, 2023.On November 20,1943 she married the love of her life J. William Blackman aka Bill. They had a wonderful marriage until his passing in 1999.

Dot's pleasures were gardening at Fairview Road-golf with Bill-she was an avid reader standout Scrabble player and loved her crossword puzzles but her happiest times were when family stopped by to visit which no matter how long the visit was she would never fail to ask when will you be coming back again....

They had 3 boys who they had great fun raising thru vacations at Lake George-ski trips to Massachusetts-Cub Scouts-St Thomas and many trips back to the Bronx. The boys Bob (Martha),Ken (deceased) and Peter all benefited from great parents.

Dot is also survived by grand-children and great grandchildren. Grandchildren include Peter R. Blackman( Christina King), Sandi (Dan) Hanifin, Erik (Kristin) Blackman, Tiffany Blackman(Alex Richardson), Laura Blackman and Amanda Blackman. Great grandchildren include Chloe Hanifin, Avery Blackman and Carter Blackman.She is also survived by her cousin Doug (Donza)Berg.

Dot was proud to be Charter member of the Loudonville Presbyterian Church. She was also the last surviving Charter member.

The family wants to thank two very special friends Debbie King and Sherrie Roach (and her husband Bill) for their special attention and many visits to Mom during her last few years. We also acknowledge the wonderful treatment by the staffs at Peregrine Shaker (formerly Atria) and most recently the Teresian House.

Those wishing to make donations in Dot's honor please consider The DoubleH Ranch-97 Hidden Valley Road Lake Luzerne, NY 12846 or Loudonville Presbyterian Church 22 Old Niskayuna Road Loudonville NY 12211.

“ To Bob and all of the Blackman family. Dottie and Bill were great friends to my Mom and Dad for many years. After my Mom Evelyn passed away to young in 1988, Dottie kept an eye out for my Dad Joe. A few years later Dottie played matchmaker bringing Elaine Thornton into his and our lives. They shared over a quarter of a century together. Thank you for all you did for us.

“ We just heard about Dottie’s passing. The world has lost a wonderful person. When David and I came to Graybar with 2 small children, Dottie went out of her way to include me in social affairs, dinners and Graybar get togethers. She always said that she didn’t want me to feel alone. God bless you, Dottie! You were always so very kind and thoughtful.
