“ Academy of the Holy Names shares in the sadness of the passing of alumna Dorothy. Our thoughts and prayers surround Dorothy as she meets the embrace of Jesus.

“ Dorothy my sweet and witty Dorothy. It's so funny how God works, I came into your life at a time when I did not know that I needed a grandmother "figure" in my life. You took me on not only as your caregiver but adopted me as your surrogate great-granddaughter. You would always correct me and say "no, I came into your life at a time where you needed me and "us". All of your caregivers. You made sure to always remind us that you loved us and thanked us so much for everything that we did. But I want to thank you for all that you did for me all of our long talks, late night coffee ice cream and cookies date. Just when I thought you would be tired and ready for bed at 1:00am and you wanted to stay up and watch The Golden Girls. Your wisdom, guidance and all of your sayings that I will forever remember. These last three years taking care of you and being your friend creating memories going out to the casino, lunch and being in your home, creating our bond I will forever cherish. A piece of my hurt is so sad and broken. Even though the most unfortunate you were not able to take your last breath and have your last moments where you really wanted to be physically in your own home. Where you have lived for the last 40+ years, but I'am happy that you are finally at the place where you really wanted to be eternally with your mother and father. I pray to God that your soul, mind and spirit will forever be at peace. I love you forever and always.
