“ To Dot's family,

I so enjoyed knowing your Mom. She certainly cared about people and always made me feel welcome in her presence.

She usually had a funny story or experience to tell and she was so generous in giving of her time to others. I know she has a special place in the hearts of many people. She will be missed by many, but led by her example on being a devoted Christian woman.

These moments are temporary, but memories last forever. May your memories

become more cherished as time eases your sorrow.

My thoughts and prayers are with you all in this time of your loss.
