*He put His arms around you and
lifted you to rest.
God's garden must be beautiful,
He always takes the best.
He knew that you were suffering,
He knew you were in pain.
He knew that you would never
get well on earth again.
He saw the road was getting rough,
And the hills were hard to climb,
So He closed your weary eyelids.*

“ Childhood memories with Cousin Dougie.
From playing wiffle ball in the yard to match box cars on the living room floor and the occasional look at that awesome baseball card collection and non stop carrying on about the Red Sox and Cowboys.
Those childhood memories will never be forgotten, thank you for your time, Cousin Dougie.
Love Ya, Brett Jr. Rip.
