“ *With our deepest condolences we send our love to Jacks wife Nadia.*

My husband and I have had the pleasure of knowing Jack and his wife Nadia socially for a good many years. Jack was always a delight and so intelligent to chat with . He was an old school gentleman in how he treated people with such graciousness. When I would call their house Jack would always greet me with Hail Mary full of Grace. Then we both would have a little laugh. It was our private little joke. IHe was a learned man who looked far younger than his years. He loved to tell a good joke as humor was the best medicine he would tell my husband . He will be greatly missed as he was one of a kind. He left his mark on the world and in the hearts of people who knew him. God bless you Jack. Fondly Dr Roland and Mary Phillips III , Malta, New. York
