“ *I wanted to say that I knew Mrs. LaRose my whole life, and loved her. She was always so nice to me when my brother wouldn't let me play poker with them at Scotty's house. I remember going into the colonial or the elbow room and she'd be sitting there at the bar, drinking her draft beer and I would kiss her cheek and she'd smell of cover girl powder makeup. We will all miss her.##imported-begin##Michele Reynolds##imported-end##*
