Please except out condolences on the passing of your mother,gandmother and great grand mother. We know that this time brings both pain and joy. Pain that is felt in the heart and joy of a life lived in the loving arms of family. Please take comfort in knowing that you have the support of you freinds and family. Take the time to reflect on all of the good memories that help to preserve those who pass in your heart and mind.

From your co workers at the Lab.
