“ *I attended Veeder elementary school. I'm so sorry to hear about this. I have fond memories of almost everyone who worked at the school, Mr. Ed included. All the smiling staff really helped me feel comfortable as a shy young girl. I look forward to a future where all we will see are smiling faces, and these hard times will be just an afterthought (Rev 21:4)*

“ *May I offer my deepest sympathy to Ed's dear family. I taught at West Albany School and Veeder. It was a joy to work with Ed. He always was so kind and cheerful. May he rest in the peace of God.*

“ Dear Jim Devine,

My sincere condolences over the loss of your brother, Ed.

I am one of your former Siena classmates. I lived on Lincoln Ave. I used to hitch hike to Siena in about 1951-1952. You often gave me a ride when you saw me walking around N Allen St. & Central Ave. You were a Math major. Mine was Physics.

We lost contact with each other since graduation. I remember you generously invited me to your family's Summer place on the Connecticut coast one year. That was fun!

My email is: Sully427@q.com. I'd love to hear from you.

Again, I am very sorry for your loss. Please extend my sincere condolences to all of Ed's family for me.

“ *I was the day custodian at Veeder school back in the eighties. Ed was always the first one there every morning when I opened up the school. We shared many great chats together. He was one of the most nicest people I ever met.*
