“ *Where do I start..... I'm glad to have the memories I do have with you and know from them memories that you were a great and caring father. I'm also thankful for your last moments on earth you decided to take that time to spend it with me and kaneesha that speaks volumes. I really believe that you knew God was calling and before you went home you wanted to let us know that no matter what happened in the past you loved us and wanted to spend as much time as you could with us and we thank you. I will always remember what you told me before you left no matter what happened or happens at the end of the day family is all you got and never turn your back on them. SIP lost but never forgotten.*

“ To my cool unc,  
I know my mom was always coming at you but deep down that was nothing but love, because overtime I talked to her about it she just smiled. You were her twin, when she passed I looked at you to remember her because you two looked so much alike. i love you more than words can express. Tell my mom I said Hi and you two keep watching over the fam.

Love your niece

“ To my uncle Edward,  
We didn't talk much but every time you came around, you were always in good spirits which affected everyone else around you. You always had jokes that will make everyone laugh. You also dropped some jewels on me. Me as well as the whole Harrison family will miss you dearly. I wish we could have talked more but this makes me realize that I have to appreciate and communicate more with family. I love you Unc and when its my time I will see you again.

Love your niece,

“I'm Free”

*Don't grieve for me, now I'm free.  
I'm following the path God laid for me  
I took his hand when I heard Him call  
I turned my back and left it all.*

*I could not stay another day,  
To laugh, to love, to work, or play.  
Tasks left undone must stay that way.  
I found that place at the close of day.*

*If my parting has left a void  
Then fell it with remembered joy.  
A friendship shared, a laugh, a kiss.  
Ah yes, these things I too will miss.*

*Be not burdened with times of sorrow.  
I wish you the sunshine of tomorrow.  
My life's been full I savored much  
Good friends, good times, a loved one's touch.  
Perhaps my time seems all to brief  
Don't lengthen it now with undue grief.  
Lift up your heart and share with me.  
God wanted me now-He set me free*

*Sleep in Paradise uncle Edward*

“ To my uncle, I will remember you were a father figure in my life, whatever you had you didn't mind giving, you always let me know you were proud of me. I will miss you coming to church pointing and smiling at me while I was playing the drums. I will definitely miss your jokes and just simply having you here. Love you unc.
