Hey Chip,

I'm so sorry to hear about your dad. If I had known, I would have been there. Just found out today through my cousin Mary. Please accept my heartfelt sympathy for your loss and know you and your family are in my thoughts and prayers. Your dad was a great man and I know he suffered over the last few years. Please find peace in knowing he's in a better place now, free of pain and illness. He will remain in your heart always and will watch over you now. I hope you know how much I care and I definitely know how you feel. If there is anything I can do, please call or if you just need to talk. I love you my friend and may Gods grace be with you during this difficult time. XXOO Laurie (Laurelle) lol

“ Virginia and Eddie together again....I am so sure she has him under her wing again...she loved and protected him for years....he was her reason for living...always all about Eddie and his well being. Now they can rest and be together in peace.

The family did well in his care after her departure....you know she was watching.
