“ Heidi,  
I am thinking of you day and night my dear friend. Losing your best friend is such an awful thing. Your family and friends will help you through this difficult time. When you're feeling better, we'll have a glass of wine on my deck and talk about your wonderful stories together. I'm sure Mike is greeting your Eddie at the heavenly door and I hope that gives you some comfort.  
Luv ya my friend. xox

“ Betty, Heidi, Elizabeth and Family -- This news truly saddens me. I have known Eddie for many years now. My memories of him will be that he was always concerned about taking care of his family, yet he was also quick to ask about how me and my own family were doing as well. I also enjoyed our many conversations about his family vacations which he truly enjoyed. Eddie was a great guy. I hope you find comfort in the many memories you have all shared with him.
