“ I’m so sorry, I did not know of Eleanore’s passing. Eleanore was a beautiful person both inside and out! I remember when she first told me about Bruce... She saw him in Mass and said....I want to meet that man and so....they went out for coffee and the rest is history. I have many fond memories of talking and laughter with Eleanore and her sister Barb.

*May they all rest in peace with our savior!*

“ Eleanore was a wonderful, kind, caring person. We spoke often on every topic you can think of -- as you know she was extremely well informed as she read the newspapers everyday at the library. Her care and love for my dad, Bruce, was beautiful and selfless. I will miss her. The world has loss a gentle soul.

“ Eleanore was my sons neighbor. She enjoyed talking to him when he shoveled the snow in her driveway. We are sorry to hear of her passing.
