“ I will always remember Aunt Betty walking around in the kitchen you had when we were kids. I remember playing with Cheryl and Steven in that house when we visited with my dad and mom. Later, in the year before she needed to live at the nursing home. She would have me dig up plants to plant in my garden . She gave Laura a couch...I remember your dad and her going camping and she would love to tell me and Al about those trips, and her family. “ Dear Cheryl and Steven,  
My deepest condolences to you and your families. I had nothing but fond memories of your mom and dad back in the old neighborhood and their love of camping.  
Fondly,
