“ *To the family of Betty*

My deepest sympathy at this time of sadness.

I have known Betty, her siblings and late Mom since 1956. In recent years Betty and I have exchanged Christmas cards. I will miss her and the keeping in touch.

“ Dear Billy, Lisa, Margie, Johnny and Timmy,
I am very sorry to hear of the passing of your Mom and my sincere condolences to you all. Though it is many, many years now since the Regal Court days it still seems like yesterday that we were all growing up together. I know your Mom has struggled with health issues over the past few years but when you don't see people every day or even every year we seem to resort back to the “Betty I used to know”. And to be honest, that is how I would like to remember her.

Unfortunately, I will not be able to join you this weekend due to final college visit trips for Alexis but please know you are all in my thoughts and prayers. Love you all...John Church##imported-begin##John Church##imported-end##
