“ *My deepest condolences to your family. I was very saddened by
Gene's loss. But now as I look back and think, I have realized that
Gene truly represented a free spirit who just transformed the
environment he was in. He participated in pranks, knew a lot about
a lot of things, was a sagely figure when you needed him to be. I
can go on and on about my memories, but just wanted to say that
there was never a dull moment with Gene around. His memories will
stay with me.*

“Gone from our sight, but never our memories. Gone from our touch, but never our hearts. Each time we embrace a memory, we meet again with those we love for the heart never forgets. With deepest sympathy, I wish you the gift of a memory whenever you need to know, the one you love still walks with you wherever you may go.

Sincerely

“ My condolences to Gene's family. Gene was my supervisor at DOH and I truly don't know what I am going to do without him. He was the kindest, most giving person who always looked out for me. I'm going to miss all the stories he used to tell about his family, his vacations and growing up in North Albany. Rest in peace, Gene, you will never be forgotten.

“ I remember once going to Gene and Maureen's home. What a nice couple! Invited us to swim in their pool, just treated me like they'd known me forever because I was Cindy's friend. Then I met Gene a couple other times at his place of business, helping with my pc....so nice, but I'm really not surprised. I've never known one member of this family who was mean-spirited. Life is strange...ups downs, good, not so good...but always this family finds a way through it in order to smile or laugh it up. And while this may be a sad time, I'm glad I met Gene and Maureen and many of Cindy's family...great group of people. Rest in Peace Gene. Hold on to your loving memories Maureen, Cin, Lynn, Darlene and the rest of the clan...you are all golden!”

“ Dear Gene, It wont be the same in the office seeing your smiling face and saying good morning to you everyday, but I am sure you are with the angels peaceful and safe.. You are a very special person, with a heart of feelings to everyone here at work. We won't ever forget your kindness with a smile and a laugh. And the races for ITU's. You are in my prayers always. My prayers and thoughts go out to your family, may they all be strong during this time with God's help.

“ *My heart goes out to Gene's family and friends. I worked with Gene for many years at the Department of Health. Work-wise, he was extremely helpful and supportive. Friend-wise, he was... extremely helpful and supportive! Always friendly, always interested in people's lives, families and interests. A friend to all craftspeople, he encouraged me in my knitting projects, especially the wedding shawls I was making for the brides in my family. I'm still working on the last one, and I'll be thinking of Gene with every stitch. Love to Gene's family.*
