“ A special poem I wrote for you from all that loved you... So many days have gone and passed wondering how long his body will last. He had seen so much, but yet he died. All I can say he was one heck of a guy. Our tears will fall as he leaves this world. His heart as gentle as a sea of pearls. He taught so much to us all. Remembering these things makes us so sad. We will all gather round and share all the love. Your Spirit will fly like two turtle doves. We were here for you for what ever you need, through the pearly gates of eternity. You've touched us in so many ways of unexplained, and now we know there's more life to gain. We will see you on the other side. We love you more than you'll ever know. You are a father a grandfather, and a friend. So let's all bow our heads as he makes our hearts mend. We love and miss you gramps. ##imported-begin## Shawn Wood ##imported-end##
