“ *Forrie was a good friend and long time member of the Psi Upsilon Fraternity Executive Council and Foundaton. I enjoyed ever minute I spent with Forrie, his wise counsel and his cheerful outlook, made the most vexing problems seem like nothing to worry about. He cared about his friends, his fraternity, his work and his family, although not necessarily in that order. Neal was a gem and I am saddened now that both are gone. Like the rest who check in here, though, I am left with very good memories.*

“ Monelle, Ginny,Pam, and Families

So sorry to hear of your dad's passing. Although his body has gone- memories will always be near and dear. Will always remember the many memories and time spent with him and your family. All the times they took care of us when my dad got hurt, times playing, swimming, ice skating, building forts with leaves and snow, putting on our many PARAMOUNT Productions. When the street lights came on listening for all our parents calling us in. Also remembering our saying" Every DAY of the WEEK the flowers BLOOM for the INSKIPS on Paramount Parkway"
Thanks for the memories Mr. Weeks.
Love the DAY CLan##imported-begin##Tracy Jeffords##imported-end##

“ I had the great pleasure of appearing before Forrest in his capacity as Administrative Law Judge on a weekly basis for over twenty years! He was helpful, kind, generous in advice, courteous to both claimants and employer representatives without bias, and always a gentleman. The quintessential, honorable judge. Bless him!
