“ Known the amazing family for about 23 years now... My neighbors right behind me @ he Lake.... was always moved by the great family values and bond the whole crew had with each other. Truly a unique and caring bunch the bubbled with life and enthusiasm . They experienced both joy and sorrow in unison. When Fran fell ill the whole family pitched in with perseverance until her final moments....My wish of peace and healing for that wonderful family.....Fran was in the best of hands and her legacy continues..... God Bless the family

“ I remember Fran from her Grove avenue days - we knew each other through PWP. She was a friendly person and just right to be President of that group where she did an outstanding job. I was very fortunate to have her as a friend and we spent many phone conversations listening to each other's dilemmas. Revisit her memory often. Thinking of you Fran
