“ In my short stay of one year at Eagle Point in 2009-2010, right before retirement, I met Frank Nunan. The first thought that comes to mind is, "to know Frank is to love him." After 20 years in the District, I honestly can say that he was one of the most dedicated child advocates that I ever met. His heart and soul was for the children. Beyond that he had a gentle kindness to all of his colleagues. He reminded me of my own childhood days at then P.S. 27. It was a family there where best friends met and became lifetime best friends. The staff were like extended family. That was Mr. Frank Nunan.

Personally, he found out that my own son was interested in Dental school He immediately volunteered to meet him for dinner and coach him in the DATS to prepare an application. Frank always went above and beyond for his family, colleagues, and friends. I am grateful that I was able to know him, however short the time. Most of all, I am grateful that the children of Albany had a sterlingly great advocate who brought true Class, Compassion, and Love to our School Community. God is With You, Mr. Noonan and You are surely with God. I know that You are watching over the Children of Eagle Point Elementary School right now.

“ I too will miss Frank, his Big Heart, ready laugh and great sense of humor.

Frank is that rare individual who didn't have an enemy in the world - I never heard him say an unkind word about anyone.

Frank was generous with his time and always greeted me with a hearty "Hey,

it's great to see you." With most people this is a throw-away line; With

Frank, it was heartfelt. In all honesty, it was always great to see and be around Frank and a privilege to be his friend. I will miss him.##imported-begin##John Shaffer##imported-end##

“ My heart goes out to Frank's family, friends and students. I became Frank's neighbor last summer, and in the short time since, I had come to know a truly nice person. Frank could talk up a storm but, he never had a harsh word for anyone and he had a smile for everyone. He will be missed.##imported-begin##Laura Cisco##imported-end##

“ *I will miss Frank because he was a friendly, honest guy with a good soul and a big heart. He always greeted me with enthusiasm and treated me with kindness. I will always have great memories of Frank. Highlights include many Christmas Eve celebrations with the Nunans , fishing together and hanging out at the jersey shore and watching him get a raucous cheer from all the guys after sinking a challenging putt to win our travers invitational golf tournament. Simply put, he was a good guy.*
