“ *Michelle and Family,*
I knew your mom from SPH 4NR when I had just graduated from HS and began working as an aide. Freddie was instrumental in me becoming a RN. She mentored me, taught me so many things and encouraged me to reach for a career in nursing. Your mom was a special person and a wonderful nurse. I'm so sorry for your loss.

“ Hello Michelle and family,

My deepest sympathy to each of you on the death of Freddie. In 1963 as a new RN at SPH she was my first nurse manager and was very helpful to new graduates. Each year we would meet at the SPH Alumni dinner and have a visit about the folks we worked with on 3 West and how everyone was. She cared deeply about our patient. May you have strength to go forward, certainly knowing prayers are sent your way.

*Take care,
Kathy Kennedy*
