“ *Sorry to hear of this wonderful man passing. Prayers for Betsy and the rest of the family. I knew Gary at Cornell, and the main reason I became a Syracuse Harlequin was I wanted to play rugby with him. Then within a year he moved to Albany. I will always have a special palce in my heart for him. I love everybody!!*

“ *We're so sad to hear of Gary's passing. He was a wonderful guy and a true gentleman. I have plenty of great memories of watching him play rugby, and sharing marinated venison chops with us. Our thoughts and prayers are with Betsy and the children, and we wish you all possible solace in your grief. We will be making a donation in Gary's name to the Jimmy Fund.*

*With deep sympathy,*

“ *Betsy and family: The old "Original Knicks" remember Gary fondly -- first as an "Original Knicks bitter enemy" with the Rogues and later as a teammate! He's gone too soon, and we wish you some comfort in knowing that he's remembered and esteemed by the Albany rugby community! Paul Kietzman.*

“ *So unexpected and such a loss. I shared the same rugby field during Gary's Cornell days and most definitely knew his lovely wife, someone just two doors down Summit Ave during my younger years. I can only hope that Betsy and their children eventually find peace in their hearts. They will surely be in my prayers. - Alan Hale*
