“ *I will remember Gene for his great smile and sense of humor. I knew him for over 20 yrs at the Post Office. I worked in the Plant for over 31 yrs and Gene worked in Delivery. We were both in Management and if had to work for someone Gene would have been a great boss to work for. Even after he retired I would see him at the Jack Mangino memorial Golf Tourney or at Siena Basketball games. I have been retired 1 year and do not miss the Postal service because wonderful people like Gene no longer are there. He was a person who I will call a FRIEND and not just a working acquaintance. I am going to make every effort to make the wake , but we have my 82 yr old mother-in law at home after foot surgery. If I am unable to make it please remember that your family will be in our prayers and we are so very sorry for your loss.##imported-begin##Brian Skelly##imported-end##*

“ We have all lost a friend and wonderful man. I will always remember his love and dedication to his pets Tigger & TJ as well as the other pets within his "family". The compassion Gene had for those he touched will ALWAYS be remembered with his smile. Our hearts go out to you at this time of tremendous loss Kathleen. I really can't find the words.

I can't call on Friday as I am out on a school trip with my daughter. PS. My son still has the Shrek USPS poster on his wall from years ago... Gene touched so many with kindness and I am glad to be one of them.##imported-begin##Mike & Michel Hardaker##imported-end##
