“ Last may 8th me & Seamus paid a fortune to see the cover band dead & co at Barton hall. A well anticipated & promoted second in a lifetime event. They ran out of merchandise before the show started. I remember thinking that George would have been prepared to sell to you just whatever you needed . Marianne we are all so sad. We always enjoyed seeing you guys, this month particularly.

“Marianne, I am at a loss for words. George and I shared a lot of late nights on the bus during the Ratdog days. He was a fun and energetic guy with great stories and always knew where the good food was. I know AJ and Mike send their love as well. We are all saddened beyond belief.
