“ I got to know George a couple of years ago thru match.com. We never did meet in person because shortly after I met someone local and got engaged. George and I were also friends on facebook. When he saw that my beloved Dom passed away, he sent me a condolence message on my facebook page. We would always send one another a happy birthday wish because our birthdays were June 4 and June 7 (George). Last year, he called me on the phone and we had a long conversation and he told me that he had moved to Albany. We planned on hopefully meeting in person...in the months ahead. I emailed him but then I did not hear back....This year I went on his page to wish him a happy birthday and saw that he had passed away last September. I was so sad to find out this news. George was such a wonderful person....such a nice guy. May he rest in peace in the arms of our Lord. Marie Sampieri

“ I was just talking to George at Boxboro, he was looking forward to playing around with a new flex radio purchase. He was a regular at our fleamarket in Southington CT for many many years. George was a good friend and wonderful person as you can get on this earth - known him for many years. K2ZZ sk REST IN PEACE BROTHER!

“ *My Sincere Condolences to all who knew George.*

*I knew George through the Amateur Radio Hobby, and was Proud to be a Friend of his.*

*George had moved to the Albany area close to two years ago, and I would invite him twice a week to join myself and a few other local Ham Radio enthusiasts for dinner.*

*A week before George passed several of us had dinner together and George was in a good mood, with no complaints. I am glad that we got together that day and had good food and great company.*

*Gone too soon, but never to be forgotten.*

“ George was a true gentleman and business man. My wife Chris and I got to know George well over the last 10--15 years as we are all ham radio operators. In addition to that We own a ham radio store near Buffalo NY and Georges products were one of our better sellers. George always went out of his way to make sure we got what we needed when we needed it. we got to know George on a personal level as well. Thats how George was . He wanted to be a good business person but in a more personal way! We had good times together at many ham radio fests over the years. George was a very giving heart. Im not sure we will find another like him. It was a pleasure to know him both as a friend and a business associate. My thoughts and prayers go out to his entire family. What a loss! I was just getting to know Geroge was an avid drag racer as was i in my younger days! God bless you my friend. I hope we cross paths again!
