“ I met Gerrie about three years ago. It was a blessing for me to have been fortunate enough to have her friendship. I met Gerrie when her daughter Lynn came to my home to pick out her puppy Diesel, Gerrie was all smiles and I remember all the puppies running up to her for some love. Of course Gerrie tried to pick her favorite and I remember her saying " I would keep them all" as she sat next to the puppy play den. My friend may you Soar With The Angels, I will always remember your beautiful smile and how you touched my heart with your beautiful soul. You will be missed. Your friend Lisa Levine.

“ Aunt Gerrie, you will always be in my heart. I can't thank you enough for all that you did for me. You cared for me, you protected me, you gave me a safe place. You were my angel in life. I know you are smiling down now sitting in heaven with my mom.
