“ to greggs family , I only knew greg a short time, we merged with capital care ,community care , greg was a driver , oh boy I had the hardest time getting him to feel at home and open up , but he finally came around a bit, he even tried to bribe me with a muffin to stop talking to him , lol it didn't work, he was a very kind man , and yes a few times he would bring me in a few flowers from a garden, I have texted him several times , just wanting to check in and see how he was feeling , I just want you to know that he will be missed as tough as he was to get through to he was a sweetheart ,, , marge landor ccp lab

I knew Greg for a short time as a teenager many years ago. I met him one summer while visiting my sister and brother-in-law in New Baltimore. I remember that he worked at a Radio Station and had a really nice car. He drove down to Pennsylvania to take me to the Pocono 500 back in 1975. I will always remember him wearing his W.C. Field's T-shirt that day. We had a great time. He was a nice guy. I am sorry to learn of his passing. Condolences to his family. God bless his soul.

“ Praying for Greg's family. He was a nice neighbor and we are blessed to have known him. He once saw my elderly father standing out on a hot summer day in the backyard. Greg went out and brought him a cold glass of iced tea and stood and chatted with him. My dad really appreciated it. May God conti ue to comfort you during this sad time.
