“ *For My Grandpa by Ilona Blake*

*I know we are all feeling a little bit sad,  
That we've lost our Grandpa, our friend and our dad  
Together we have cried an ocean of tears  
As we feel so empty and hold many fears*

*But Grandpa would want us to know he's in a good place  
And that he watching us all with a smile on his face  
As we have made him so proud, as proud as can be  
That he has raised such a beautiful and special family*

*Thinking back now I really must say  
I feel lucky and privileged to have known Grandpa to this day  
For in my life, you have played a special part  
The memories I will treasure and keep close to your heart*

*For me I am glad my little baby he got to meet  
And for all of us, be grateful, his life is now complete  
To each one of us he has loved and cared  
And a family, be thankful for the good times we shared*

*Although he has gone we will always be together  
And his spirit will live on each one of us forever  
When you look to the sky, look for the brightest star  
As that will be Grandpa looking down on us from afar*

*And now I would like to thank the good Lord above  
For blessing us with our Grandpa with his kindness and love  
Dear God, if it is not too much fuss  
Take extra special care of our Grandpa as he is very dear to us*

*Grandpa if you are listening say a prayer for us every day  
Be sure to protect us and guide us on our way  
We know when God called you, you had to go  
But we want you to know Grandpa we miss you and love you*
