“ Can anyone tell me if this person served in the army reserve and trained at Fort Dix NJ around 1957? I was there and knew someone by that name. Thank you

My grandfather was born in 1941 and served in the active army. I don't think he's the person you're thinking of. He would have been 16 in 1957.

“ To my rock; it's been 2 weeks since you left us but it feels like just yesterday I walked in your hospital room and received the devastating news. You were (and will always be) more of a father than a grandfather to me. You were there for me through the good times and the bad, you were my shoulder to cry on, my ear to vent to and most of all, my 'Uglier than me'. I love and miss you so much Pops. ?

“ Uncle Harold I miss calling to see what kind of TROUBLE you have gotten into. You were like my second dad and good one. Behave yourself as I have my angels (Dad, Karl and Carla) watching over you. Now you and dad can continue your casino hopping. One day we will all be together to have that family reunion.
I love you and miss you lots.

“ Thank you for the memories of when I used to swim with Cheryl, have sleepovers and visit. You always came out to talk to us, throw in diving sticks, make sure we had towels. My fondest memory is going "shopping" in your basement. It was an honor to have known you and you will be missed. RIP and God Bless.
