“ Dear Laurie and Family,  
I am so sorry for your loss. Hazel was an amazing lady. My mother has told me a lot of stories about when she was young and Hazel always had a space in those stories. How awesome her life must have been. 94 years on this earth, all of the things she has lived through and seen. If I make it to that age I can only hope my life is as full and meaningful as Hazels was. I'm sure she is up in Heaven now having drinks with my grandmother talking about old times and having a good laugh. It was an honor to have known her. I am glad she was with you for so long.

Love,
