“ Nancy, Susan, Paul and HR,
Please know my heart goes out to each and everyone of you and your families at the loss of your Mom and Grandmother. For a period in my life, she was also like a Mom to me exactly when I needed that. I'll never forget one particular heart to heart chat I had with her in the kitchen. Her grace, wisdom and innate common sense blessed me so. I'll never forget her. I've been lifting you all up in prayer for the peace of Christ, which surpasses all understanding. God bless you all,

“ Helen and Albert were among my favorite people when I lived at 189 Kent St. I would always enjoy my phone conversations with Helen after we all moved. Please know that I have fond memories of your Mom. Every conversation would include an update on her children and grandchildren whom she adored. Love to all. Mike Esposito

“ Dear Nancy, Sue, Paul and Helen Rose,

I was so sorry to learn of your mother's passing; she was a wonderful woman and I have many many happy memories of our years together at St. Anne's. She was like another mother to me during those years. Helen was a joyous person who brought laughter to everyone around her. My thoughts and prayers are with all of you.

“ Dear Family: It's hard to understand why people are taken from us, but we hope you all find comfort in knowing that you were a special part of a well-lived life. Hold on to your memories and let them guide you during this time of sadness. Memories of love and friendship are treasures to carry with you always. In the words of Kahlil Gibran: "Death leaves a heartache no one can heal. Love leaves a memory no one can steal."

Wishing your family strength and peace as we hold you all safe in our hearts during this difficult time. Rest in peace, dear Helen.
