“ Living at "The Block" was very special to me. One person who helped make it so was Aunt Helen. She was a busy person as everyone was but no matter how busy she was when you stopped in she always had time to spend with you. She was always interested in you and how you were doing. Then would come the milk and cookies and more chit chat. This is something I will always cherish. A special lady she was and always will be in my heart forever.##imported-begin##Dan Pratt##imported-end##

“ Have you ever seen such beautiful life loving smiles as the smiles of the Sisters when they were together? They were like music in harmony. I miss them so much, but my heart rejoices in honor of their journeys with us all. Such power, leadership, tough love, and of course, laughter.

I love you, Aunt H. Debby##imported-begin##Debby Garcia##imported-end##
