“ I am a hospice volunteer who had the great pleasure of visiting a couple times with Ina at Delmar Place. She was such a delightful lady! She taught me to play dominoes! But mostly she liked to show me photographs of her family members, and gifts and drawings they had given her; she talked about how good everyone was to her and how much she appreciated them. She clearly loved her family dearly. My sincere sympathies for your loss.##imported-begin##Gail Landsman##imported-end##
