“ Michael and Patricia and your families. Your Dad was a most beloved man to my Mom and Dad, Harriet & Ben Mirling. My Dad worked with your Grandfather Jack and was close friends with him and your grandmother and your Uncle Donald...Don used to come to visit us when we lived in New Jersey. I was just little but I remember him well. I never knew your grandparents...One of the highlights of my parents 50th Wedding Anniversary back in 1977 in Saratoga, NY was the surprise attendance of your Mom and Dad. That was the first time they had seen them in many years...I think it was when you were only 2-3 years old Michael....We were at your birthday party in Albany....I am so glad that they had that great memory...I will look for a picture of your parents on that day. I do know where it is, I just have to dig it out. I may even have a couple of your grandparents as well from years earlier...I'll look for them also...you may even have some of my parents from your birthday party all those years ago....Please accept my condolences on the passing of both your parents.

Your Dad was a very kind man and I have great memories from the Lake and then from his time at Polsinello's.
