“ Jack,

Nothing can ever fill the gap you left but knowing you're at peace eases it a bit. Sending my warmest birthday wishes to the sky and hugs to Gabe as well.

“ Gabe and family,

The earth lost one of its angels 1 year ago today. (Thats you Jack!) Today and always I cherish the memories hes given us..Every time I drive down Polynesian I think of you Jack painting the walls and cleaning up the neighborhood. You are so missed not only by Gabe but by the "old timers" here in Indian Wells. Hope heaven is treating you right, that u r having a good time up there with my mom and dad and Ms Ann , and so hope you are Jack resting peacefully. Don't worry I will do my very best to keep checking on Gabe..

“ Gabe and family,
I know this condolence is long overdue and hope u will forgive me... I know its no excuse but u r aware of how my year has gone as well... I am deeply saddened for your loss.

Jack was (and in my mind still is) an awesome man , husband and community leader. Both mom and dad could not have done it without Jack's help and Indian Wells could not have either. Gabe I pray for you daily for your peace and healing. Hugs to you as well whether in person or via e mail. Call me anytime night or day. Remember I do know what u r going thru and its so not easy.. Love you lots

“ Our condolences to Jack's family!
We haven't connected in years but date back to our early days at OLA and CBA when we both lived in the city and spent time at the Boys Club. Those were good times and I remember Jack well!
Again, our condolences.

“ Very sorry to hear of your loss. I worked with Jack for many years and my wife saw him at the VA in Albany. When I was on a job with Jack I had something to look forward to everyday. He was a gentleman and someone I looked forward to talking to. I missed him on jobs when he retired and when he moved to Florida lost touch of him completely. My wife and I would often wonder how he was doing. The world has lost a good man

“ Gabe , This is so Sad ! You know how I always felt about You and Jack growing up in our Neighborhood .Jack and I were close buddies and You and My Sister Leslie were close friends also. When I came back from Overseas to bury my Dad, You had all left on new adventures with Your Lives and I tried to stay in touch with you. I last saw you both when Jack had won first Prize at The Disney Car Shown with The Trans Am and we all went out to celebrate with a Nice dinner that evening. Marianne and I both wish to express Our sorrow and We hope You can find Peace and Joy with the Family that You raised, This is just so Sad, God Bless You and Your Family, Earl !
