“ Dear family, I am so sorry for your loss. Jimmy was a friend of my dad Joseph Corcione. He was such a nice man and I always remember him with a smile. I was so very thankful to the friendship he had with my father and how he helped my dad after my mother passed. He helped keep him company and keep him busy. He often took a ride with jimmy to Saratoga or the racino and sometimes they actually won. My father cherished his friendship with Jimmy and enjoyed spending time with him. I know you will miss him. Keep your memories of him close to your heart.
