“ *Jim was my cousin and we grew up together all our lives. We enjoyed many good times in our youth, laughter and music. I'm so glad we got back in touch and have had some time together once again. I will always keep him in my memories and in my heart. Blessings to his family and pray that they can remember the good times and will find peace in those memories. He is in a much better place now. Sleep well cousin. You're now with your family in Heaven and I await the day we will all be joined together again. Love, Bobby/*
