“ *Jim and I basically knew each other from afar. Jim was the father of my son's close friend and a coworker of my cousin Bob at the state. That said there were a few other times our paths crossed. Jim and Mary attended my son's wedding in Ireland where their son Dan was was best man. I met Jim on a few other occasions. There was one in particular I recall. I arrived in Albany NY for a brief vacation and a round of golf in Albany and Binghamton as well as a day at Saratoga. I decided to go to the main otb office on central avenue because it was too late to go to the track that day. While walking to otb in the parking lot I saw jim. We spoke for a while about family and friends. Since he was leaving and I was going to otb horse wagering came up. I had been doping the sheets while on the plane. As it turns out we both had picked a horse in one of the late races that was at least 15/1. Well that horse won! I don't recall when we spoke after that but that when we did that meeting was remembered by both of us. Was a good day for both of us. Aida and I send our condolences to the Murphy family and hope their grieving is followed by the love and memories of pasted times..... Tom and Aida Marski*
