“ Dear Katrina, I am so sorry about your lost. Kool was a very good man, he was like a 3rd grandpa. I'm gonna miss him. The thing that reminds me of him is the ice cream truck. No matter if me, z'niya & za'nief were good or bad he always gave us money. Trina I love you & stay strong. Love Monna###imported-begin###monna###imported-end##

“ Hey Unc!!

*You are a great man! No matter what obstacles you've struggled with you've always managed to stay positive and lent a helping hand to your loved ones and friends without second guessing and selfishness...Not too many ppl nowadays practice that good faith as you did... You and my Dad were good buddies and he misses you dearly..So on behalf of myself and my Dad I just wanted to let you know that you touched so many lives with your words of wisdom and your "Kool" sense of humor.. You weren't the most talkative person, but whenever you spoke everyone listened..*

*Forever Rest In Paradise....##imported-begin##Melissa##imported-end##*

“ Dear Daddy, It saddens me to know for the rest of my time on this earth I will not hear you call me princess but, gives me something to look forward to hearing when we are reunited again. It brings me comfort to know your no longer suffering & your reunited with your mom, dad, brothers, & my mom. Thanks for showing me that you love me day after day & year after year. I'm proud to have u as my dad. I will cherish the memories & time spent together. P.S. you will be missed but never forgotten. Love your princess###imported-begin###Katrina###imported-end##
