“ I admired Jane’s kindness, creativity and independence. I loved the excursions and lunches with she and Hans. Her gorgeous photographs changed the way I look at peppers, sunflowers, bicycles and lighting. But most of all, I appreciated her positivity. Jane was sweet, upbeat and made things more fun. My condolences to the whole family for this loss. Peace and best wishes, Rose Thun

“ Jane was the love of my life and she will always be in my heart. Our time together for almost thirty years brought much joy and happiness. Jane truly enjoyed life and loved to be creative. She had a passion for still life photography, gardening, traveling and, as she would say, create things out of nothing, Equally, she enjoyed and loved her family, especially her children. She was a genuinely good person, always helpful, thoughtful and considerate of others. Her life was not easy and she deserved much better, but even in her final years at Teresian she displayed humor, wit and good nature. I will cherish the countless memories of our time together and miss her dearly. May you be in a better place, Jane. Love always, Hans
