

Jason A. Martin

January 4, 1973 - May 4, 2018

ALBANY-Jason A. Martin was born into Eternal Life Friday, May 4, 2018 at Albany Medical Center Hospital.

Jason was born January 4, 1973 in Troy, New York, he was the son of the late Albert Martin and Jane Trombley (Bob) of Northfield, Vermont. He is survived by his loving wife Ramona Martin (Buchiccio), son Jason Martin and daughter Ashley Martin. He is also survived by his sister Tess Collins; brother James Martin-Corsi (Augie), niece Jessica Collins, and mother-in-law Rose Buchiccio (Michelle and Chris). He is also survived by his extended family, the Walshs, Woods, and Perras. He was predeceased by his sister Nadine Martin.

Jason was a lifelong Albany resident who worked for the City of Albany for over 20 years in various capacities, perhaps most notably as an Albany Police Officer for the last 13 years. Jason led a distinguished career in law enforcement, receiving numerous awards for his service while touching countless lives along the way, and rising to rank of Detective in the Criminal Investigation Unit.

Jason loved spending time with his family and friends. He knew how to bring

out the best in people with his positivity and sense of humor. He was a gentle soul who always looked on the bright side and was loved by all. His family lovingly called him "Positive Pa". Jason was a dedicated family man who enjoyed camping, kayaking and fishing with his children. Nothing brought him more joy than to see his children happy and watch their accomplishments. He will forever be remembered for the kindness and acceptance that he showed to others. He had a special love for animals, especially his dogs Sammy and Emily who were constantly by his side.

The family would like to give special thanks to Jason's colleagues at the Albany Police Department for their outpouring love and support, especially Chris Cornell, Josiah Jones, Anthony Scalise, and Chief Robert Sears, the staff at NYOH and the Radiology Department at Samaritan Hospital, Jason's neighborhood crew, the Burnell's, all of our close friends that have shown so much kindness and support to our family and have made us a part of theirs and the greater community that has come together to honor a true hero. A special thanks to his "Big Sis" Tess and Alex Albino who have been here to support us every day through this journey. We will forever be indebted.

He will forever be in our hearts.

“ Jason, you were and still are a wonder. You climbed high mountains and achieved goals you weren't sure you could. You never gave up. You got your girl, your career and the finest reward your two children. You are not gone but selfishly we all have a piece of you in our hearts now. I met you as a kid watched you grow into a beautiful man with more accomplishments you didn't even dream of as a kid. You made large footprints in your short time on Earth. Now your work begins my friend. Your family is surrounded by people who love them so they will be fine except your the lack of your physical presence. Elaina will help with that. May You Rest In Peace
