“ *Dear Carolyn, Helen, Frances and all of Jean's family, Jean was such a lovely caring woman. She was a long time active member of our Capital District College of Saint Rose Alumni Chapter. Her membership in our alumni chapter was just one example of her devotion to the College of Saint Rose. You could find her in her seat right behind the team bench at all the college basketball games - routing on both the women's and men's teams. I always enjoyed my conversations with Jean at our alumni chapter events and basketball games. She will be so dearly missed by all who had the privilege of knowing her - but the positive contacts she made with others through her life is a gift that endures.*

With deepest sympathy,

*Kathy Kieffer
CD Chapter President*
