“ *Dear Karen,
We are so very sad for the passing of your mom!
Jean left in us many memories of her kindness. She was specially loving towards Álvaro.
When I was new to Albany and did not know many people, Jean cared enough to write letters to me for quite some time. The affection she put in those words made me feel welcomed and special.
I have fond memories of the many conversations, anecdotes, kind gestures, presents, outings, lunches, shared with Jean, Jake and with you, Karen, as some of my warmest moments here. Guillermo also has many sweet and funny memories of the moments shared with Jean.
I hope that by remembering how she was, what she accomplished, how many people she touched throughout her life, you and you family may find strength and comfort.
With much affection,*

Guillermo, Álvaro and Patricia
