“ *Jeanne shared her loving presence, warm personality and many talents with our community so generously. I had the honor of being a colleague of hers and experienced her excellent preaching as a Conference Deacon. It is with sadness touched with the hope of glory which Jeanne now shares with her Lord, and with those she loves, that we say: thank you Jeanne, we love you!*

“ *Jeanne and I were conference deacons together. Her faith in her Lord and Savior, Jesus Christ was a testament to how she lived her life. Although I am unable to attend her funeral service on Tuesday, she and her family will be in my thoughts and prayers.  
Barbara Shafarzek, Deacon Hudson/Mohawk Conference.*

“ The last time I saw Mr. and Mrs. B was three years ago. We were having school reunion, and friend and I were driving around the area, seeing all the changes since we lived there. We stopped by to visit, very nice time, great memories. Would see her many times at Hudson middle school, she had that office under control and the same with kids coming into the office. She will be greatly missed, always think of her smile.
